

No Interest/Reduced Interest Financing Options

\$1,200 24-Month Promotions

Things To Remember About No Interest/Reduced Interest Promotions

- Fixed/Equal monthly payments of principal and interest required until paid in full.
- Fixed/Equal monthly payments based on a repayment factor for the number of months in the promotional period.
- Failure to pay the required monthly payments on time may result in late fees being added to the balance.

*9.99% is used here for illustrative purposes. Actual interest rate may vary. Due to minimum interest charges and rounding up for monthly payments, the last 4 payments are different from the prior months
